**2019 Penncrest Jazz Night!!**

Congratulations to the Jazz Lab, Jazz Band & the Alumni Band for their outstanding performances at Saturday's Penncrest Jazz Night. Despite the bad weather enthusiastic spectators came out to support the musicians and had a great time. Thank you to Chairperson Alec Schwartz, his committee and the parent volunteers whose hard work made the event entertaining and successful!

Mother Nature cooperated enough on Saturday for Penncrest Jazz Night to go off as scheduled. Six high school Jazz bands from other school districts performed along with the Springton Lake Middle School Jazz Band, and the Penncrest Jazz Band, Jazz Lab and Reunion Band. All of the student musicians attended a clinic before dinner facilitated by the Tony Deangelis Quintet which also performed a final set to close out the night. The Jazz Night Committee thanks all of the parents for volunteering their time and for donating food and supplies which made the entire night possible. Also, special thanks to Double Decker Pizza and Factory Donuts for their discounted contributions and to HB Electric Service Inc, World Wide Land Transfer, Sabatini Pro Painting, Springfield Jazz Band and The Alec Schwartz Team for their program ads.

~Alec Schwartz, Jazz Night Chairperson
