

## **Band Parent Meeting – 5/7/19**

### **27 parents in attendance**

Craig Snyder, Band Director, spoke first. He thanked the parents and said that he is already excited about next year. He thought that the Spring Concert was too long, but there were a couple of things that he wanted to do – the Rotunda, the Indoor Percussion got a chance to play, All-State students got to perform. The Indoor Competition in Wildwood was a success. Percussion got an 85, Jazz Band was in World Class by themselves. They scored a 97 (an excellent score). Jazz Lab performed in the Open Class division – they broke 90 in their score also. Elections of Drum Majors and Section Leaders are coming up at school in the next 2 weeks. Mr. Snyder introduced John Paul Kuhar (Indoor Percussion Director), John is happy to be here and would like to grow the program next year. He wants to make sure there is a solid and consistent base going forward. Wildwood went off without a hitch. The chaperones were a huge help. Thanks to everyone for their support.

Mike Corner summarized the Treasurer Report.

FAQ for new parents – is a bit of a shock to the new parents coming in

Elections for the next year. It was voted that we do a hand vote instead of paper vote since there is one person for the VP of Fundraising and one person for the Board Secretary position. Tracey Barsevicious will take on the VP of Fundraising position and Joanne Torrillo will be the next Board Secretary.
