

A NOTE FROM OUR BAND DIRECTOR:

Planning for Future Success

I hope that everyone involved in the band program has enjoyed the successful school year that we have all worked together to achieve. From state championships to indoor and jazz band honors to setting a school record for students in PMEA ensembles, we should all take pride in our collective work and support of these students as they strive for musical excellence. These successes are not possible without the strong support of the Band Parents Association, and the equally strong leadership of individuals who have volunteered to serve in coordinator or officer positions.

As we look toward the end of this school year and the beginning of the next, we are taking note of key volunteer positions that will need to be filled for the 2019-2020 school year. Leadership in the BPA is an important factor in the support that our band members need to be the best they can be. It is time for the call to go out for our next volunteers and leaders. Please consider running for a Band Parent Association Board Position (elections will be held at the end of this school year) or take on a position as a Committee Chairperson.

Involved and supportive parents are the cornerstone of our organization's success. There's no better way to support your child and enjoy the Penncrest Band than to become involved in the behind-the-scenes organizational activities. Below is a preliminary list of jobs that will be vacant at the end of the school year. If you are interested in any of the positions below, or would like more information, please respond to this email. You can also speak to anyone who holds a current position and they will be happy to talk to you about responsibilities, time commitment, etc. Behind every great band program is an equally great parent group. Thank you in advance for making sure all of these positions are filled.
