Our Goal: A NEW TRAILER

We have a very generous offer to match our donations. If we collect an average \$20 tax deductible contribution from each family, we could have our new trailer this year!

If you would like to help, please fill out the coupon below and return it in an envelope marked "Band Trailer" to the lock box outside of Mr. Snyder's office. You can also make your donations online from the band website: <http://penncrestband.org/fundraising/trailer>.

A huge THANK YOU to all those who have already made a donation.
