

### **A note from our Director**

The School Board has given us permission to utilize the band trailer for our trip to Orlando. We are grateful for the persistent hard work of Band Parent Association President, Peter Spiotta and band parent, Tracey Barusevicius in negotiating the trailer use with district administration and the RTMSD School Board. We also want to thank band parents Jim Rigby & Steve Howells for volunteering to make sure the trailer and all of our instruments, uniforms and baggage make it safely to Orlando. We are very lucky to have this group of volunteers work so hard to insure a good experience for the students of the Penncrest Band.

We had a great trip meeting last night. Band members have access, through Schoology, to all trip documents including itinerary, packing instructions, airline regulations, flight information, maps, and more. Please ask them to share these documents with you at home so you can review them and ensure that your child is in compliance and prepared for their travel experience. If you did not attend the meeting last night, you will want to read over the information. It is hoped that everyone feels confident that the trip is well thought-out, organized, and prepared.

**Don't forget there's a Chamber Music Concert at 7pm in  
the Penncrest Auditorium tonight (3/6/2019).**

**We hope to see you there.**
