

**Every band member** benefits from the Penncrest Band Parents Association. How did your child benefit? We subsidized the Boston and Wildwood trips. We sponsored the pool party. We fed your child on extra busy days. We covered your child's attendance and gifts at the band banquet. Last year, we spent an average of \$250 per band member. We spent an additional \$130 per student in our indoor percussion and color guard programs. That's comes to average of \$289 per student.

We are able to do this through our various fundraising efforts throughout the year. One of the easiest ways for us to fundraise is seeking tax deductible contributions. Although we have acquired numerous corporate benefactors, we also still count on the generosity of our band families. Most recently, because of the generosity of parent donors, we were able to purchase a trailer.
